

THE EMERGING LEADER™

**Come work for an International
Leader, right here in Saskatchewan**

Due to ongoing and increasing demand for our state of the art zero tillage seeding systems, we are currently recruiting:

Material Handlers

You will be responsible to:

- Gather and deliver materials to the Assembly Shop.
- Assist with stocking and organizing materials to allow timely & efficient processing of production orders.
- Unloading and loading trucks.
- Count received inventory, reconciling packing slips and storing materials.
- Count materials and making sure inventory is correct with ERP system.
- Assist with updating material quantities and errors with design drawings to design department.
- Assist with maintaining accurate and efficient material management.

The successful candidates will possess a valid driver's license, general knowledge of Microsoft office and experience with an ERP system and forklift/lift truck ticket is an asset. You must demonstrate an ability to work cooperatively with a variety of employees and as a member of a team.

If interested please submit your resume outlining your qualifications and interest in the position to:
